

## Welcome to the conservation lands and trails in the Town of Lincoln.

Your opportunity to use Lincoln's open space is accompanied by the responsibility to be a good steward to the land. Please help us by complying with the following use guidelines. The complete text of the [Regulations for the Use of Lincoln Conservation Lands](#) is available on the web at [www.lincolnconservation.org/trailregulations.html](http://www.lincolnconservation.org/trailregulations.html).

Lincoln conservation land owned by the Lincoln Land Conservation Trust or the Lincoln Conservation Commission is open to the public without charge, from dawn to dusk, for quiet recreation. Outside of conservation areas, trails are generally on private property. Please keep stricty to the marked trail, marked with a red or yellow disk. Failure to do so may result in fines or the revocation of the owner's permission for public use, and may constitute trespassing.

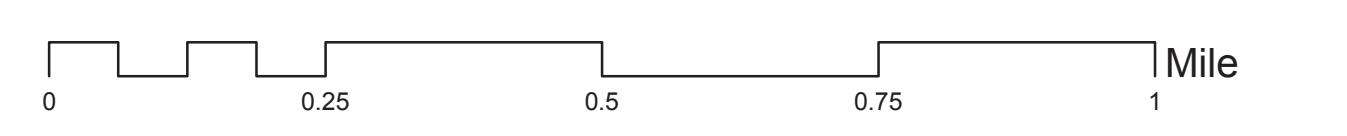

- Trails identified with colored disks are open to pedestrians, cross-country skiers and horseback riders. Bicycle riding is permitted only on trails expressly marked for such use.
- Vehicle and horseback trails are marked and in any wet areas or other sensitive areas where their use may result in damage to the trail or to public water supplies.
- No motorized vehicles or equipment are allowed on any town trails.
- Pets must be controlled at all times. All dogs must be leashed when in fenced pastures, or when posted. Please pick up and properly dispose of your dog's waste.
- No littering, picking flowers, injuring vegetation, or passing through fields under active cultivation.
- No hunting, trapping or carrying firearms (even if unloaded).
- Flint's Pond is Lincoln's main public water supply - no trespassing in the pond, on the ice, or on the shoreline adjacent to the pond.
- Cars must be parked in designated parking areas only.
- Fire is a serious danger. Smoking and fires of any kind are strictly prohibited.
- Overnight camping is prohibited except with prior written permission of the property owner.

In case of emergency, call the Lincoln Police at 911.

You enter the land at your own risk. Neither the Town of Lincoln, the Lincoln Land Conservation Trust, nor private landowners assume any liability for injuries to persons or damage to property while on Lincoln's trails or conservation land.
